

National Flying Club

Nord sur Erdre

The National Flying Club liberated 3001 birds for the journey home from the Western race point Nord Sur Erdre. The conveying team had them up and away early and what ensued was a classic National race. The winner raced home to the Tredegar, South Wales loft of **Williams brothers, son and Burgham**. This is what they had to say.

The winning team

“This is a 2yr old blue cock called '**SPOTS**' raced on roundabout, he is of the Hereman Cuester breeding with his Sire being bred by our good friend Mark Darby and his Dam bred by another close friend John Wheatcroft, the cocks brothers and sisters are big winners for us and include 3 x 1st Fed and many national positions. The blue cock has been on form most of the season and previously this year was 3rd Fed Open Eastbourne, provisional 4th Sect 27th Open NFC Messac and last year was 14th Open RV Fed Ramsgate 1,800 birds and another Ramsgate with the WSRNFC he was 1st Sect 11th Open National.”
