

## How to login to the new NFC Website

Whilst the new website is still in construction, on a temporary URL, the NFC Committee invites all members to visit the temporary site, and activate your NFC account. When the new site goes live, replacing the existing site, you will be ready to make entries into the 1<sup>st</sup> NFC Race in May

1. Click this link <https://nationalflyingclub.co.uk.banana temporarywebsiteaddress.com/login/>
2. Click the “**Forgot Password**” link, then on the next screen you need to enter either your **NFC Code** or your **email address** (be accurate with spelling), and then click **Reset Password**

3. An email will then be sent to the email address you are registered with or that you have entered above
4. Find that email (check **INBOX** and **JUNK/SPAM** folders) and click the link you see within it
5. Do this as soon as possible, please!
6. NB: when the new site does go live, you will not need to follow the above process again, so it's well worth doing it now.
7. If you need additional support then please email Paul @ [poleary72@hotmail.com](mailto:poleary72@hotmail.com)

Please have a good look around the site and assess the layout style and content. We hope you enjoy using the site.

Once the new site has gone LIVE, the URL will revert to the one you've always used previously:- <https://nationalflyingclub.co.uk>
